

Dear Sir or Madam, dear colleagues, and friends of International Youthwork,

once again, we ask you for support to spread the news!

our application process for the **International Youth Meeting Dachau 2024** has started, and we invite young people from all over the world to join our 42<sup>nd</sup> IYM this summer.

IYM Dachau is open for all aged from 16 to 26, who are interested in learning from one another and who are curious about the history of National Socialism and the former Concentration Camp Dachau. This year's focus topic will be 'Antisemitism'. Besides workshops, guided tours and discussions, there are plenty occasions to do sports, party together and make new friends.
